

# ASK ABOUT THE ARC<sup>®</sup> SUCCESS PROGRAM

**Have a baby AND get money back!**

**Maximize your chance for success and minimize your risk of paying too much.**

**National statistics show that it often takes more than one cycle to achieve a live birth<sup>1</sup>:**

- Chance of live birth with one cycle of IVF: 48%
- Chance of live birth with two cycles of IVF: 71%
- Chance of live birth with three cycles of IVF: 83%

## Two-cycle Plus Success Program

- Receive up to 2 retrievals and up to 4 embryo transfers (fresh and/or frozen)

## Three-cycle Plus Success Program

- Receive up to 3 retrievals and up to 6 embryo transfers (fresh and/or frozen)

*Program may vary slightly from clinic to clinic*

**If you get pregnant and have a live birth, you will receive a refund for any remaining cycle(s).**

**Ask your clinic or call your  
ARC Fertility Specialist at:
